

How to Share Chinmaya Mission Niagara's YouTube Channel with Your Child

This guide will help you easily share the **Chinmaya Mission Niagara YouTube Channel** with your child, using either the **YouTube app** with a supervised account or the **YouTube Kids app**.

 Channel link: <https://www.youtube.com/@ChinmayaMissionNiagara>

Option 1: Add Channel to YouTube Kids

1. Open the **YouTube app** (on your parent account) or go to the link: <https://www.youtube.com/@ChinmayaMissionNiagara>

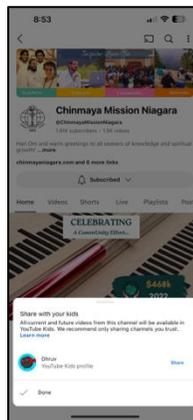

2. Tap the **Share** button (the arrow icon)

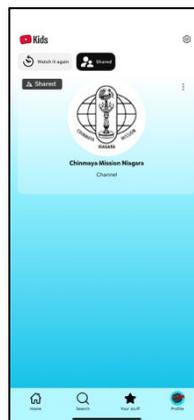

3. You will see an option called **“With Kids.”**

4. Tap your child's YouTube Kids profile name, then click "Done."

5. Open the YouTube Kids app on your child's device.
6. Go to the "Your Stuff" section (bottom right icon).
7. You should now see Chinmaya Mission Niagara under the Shared tab

Option 2: Using a Supervised YouTube Account

1. Open the YouTube app or go to the link above.
2. Tap the **Share** button (the arrow icon).
3. Share the link via **email, text, or messaging app**.
4. Open the link on your child's supervised account or device.
5. Tap **Subscribe** (if visible), or **bookmark** the channel for easy access.
6. If your child is using a **supervised account via Google Family Link**, you may receive a permission request
